National Championship Report

After the indulgences of Christmas it was time to clear the head for the Yngling National Championship. Sailing at this time of year is great, especially in such a competitive series as ours. The first two days were moderate breeze with stronger breeze for the last day. 16 boats took part in the Championship and the racing was great. From first to last there was not much time between all boats. For the entire Championship very little separated the top 6 boats, it all came down to the last race. I should probably give you a blow by blow tack by tack account, but being a little too far back and my mind to old, i will just give this short overview. Thanks to the race committee who did a great job in some difficult conditions. To all the competitors you make the Championship and to my crew thanks. I hope to see you all next year and for our club racing throughout the season.
