## Women's Celebrate Sailing Cocktail Party

Held on **Friday 29 July** 6:00pm for 6:30pm in the Carabella Room this wonderful cocktail party will celebrate Women's sailing at the RSYS. A networking evening for skippers and crew. Hear stories from the crowd on how sailing has affected their lives. Price \$50 includes cocktails on arrival and canapés. Bookings can be made with RSYS on 99557171 (member accounts only).

## Winter Series

As the weather turns colder and we don the winter woollies we move into the RSYS winter series. So far we have eight entries to Division 2, which allows us to have our own pointscore within the fleet. This series will be invaluable practice in traditionally light fluky air for the upcoming worlds. If you are thinking of competing the 2012 World's, use this time to brush up on light wind spinnaker trim, roll tacks and boat handling, which can keep the boat going even in the slightest of breeze.

## Non Spinnaker Division

We are pleased to announce a new initiative for the main series – A non spinnaker division within the usual Saturday point score. It is envisaged that these races will be held every second week to allow people new to racing to gain valuable experience without the pressure of Spinnakers on the downwind legs. Boats competing in this division will start with the rest of the fleet, and then simply complete one less loop of the course than their Spinnakered counterparts, the idea being every one can finish together. This initiative encourages people who are new to racing, and those who wish to sail two up. Contact Fiona Herbert on 0421 040 550

## International Regattas

We take this opportunity to wish all those competitors heading off to overseas regattas the best of luck. We had Alan Reece completing with his sons Jordan and Michael in the Open Springtime Regatta in Riva Italy in May where they finished 16th.

The Reece team experienced cold and windy conditions in the first European Regatta for the sailing season in early May on Lake Garda, Italy

Four Australian Teams are competing in the 2011 Yngling World Championship in Austria and Nick Howe's team are also competing in the European Youth Championship.

Good luck to all the teams.

- AUS 38      Robyn Grosvenor with her Austrian crew
- AUS 47      Nick Howe, Beren Beowulf and James Shannon
- AUS 48      Chris Harper, Jan Harper and Adrian Amer
- AUS 60      Hamish Jarrett, Federico Lauro and Alana Bracken

## Top up selection for 2012 World Championships

Additional Australian positions to the 2012 World Championships as allocated by the IYA will be decided using the following selection criteria.

The Selection series shall be comprised of the following 3 events,

- 17th September 2011 Mini Regatta at on Sydney Harbour
- 15th October 2011 Mini Regatta at on Sydney Harbour
- 5-6th November 2011 Yngling Australian Championship on Sydney Harbour

The final results of these regattas shall be scored according to the following formula.

$$R = P * Q * E$$

### Ranking Points

**R** = the ranking points from the regatta

### Placement points

**P** = 101 - The boat's position in the regatta

e.g. 100 for 1st, 99 for 2nd, 98 for 3rd and so on

### Quality Index

**Q** =  $1 + n/30$  where n is the number of boats in the event

### Event Index

**E** = 1 for the Mini-regattas

2 for the Australian Championships

Boats shall be scored from their two highest scoring events.

Boats shall be selected from the highest scoring boat down to fill all the available positions offered by the International Yngling Association.

Boats changing crews or helms during the selection series shall notify the Selection Committee. The selection committee will then rule as to whether the crew or helm change will result in the crew being classified as a new boat for the purposes of the selection series.

Selection is based on the Skipper of the team.

Wild cards will be allocated to the first Youth Team in the 2010 Gold Cup and the first Ladies Team overall in the 2010-11 Tuesday night twilight series.

Should those skippers have already qualified, then the Wild Cards may be offered to the next placed skippers.

Any additional wild cards will be allocated at the discretion of the AIYA Executive.
